

PERSONAL ASSISTANCE SERVICES

Cititravel helps patients and their families with a full range of services:

- **Accommodation:** We find the perfect hotel for you in terms of location and budget.

- **Transport:** We can provide a range of rental cars, family sized vehicles and chauffeur driven transport.

- **Interpreters:** Communication in a foreign country is not always easy especially for medical matters. Cititravel can provide interpreters for most languages.

- **Sightseeing:** The Costa del Sol is rich in culture and tradition. Cititravel organize a range of tours and activities all around Andalusia.

- **Sport:** The region enjoys an enviable climate all year around and therefore is the perfect place to take part in all kinds of sport, above all water sports and, most famously, golf!

The easiest way to book your tee-time is through www.golfbookingnow.com. You can book everything on real time and pay at the golf course!

- **Relaxation:** the area offers a huge variety of Spa and Thalassotherapy centres where you can be pampered and find peace and relaxation.

Of course the Cititravel team is there to help you in anything you may need during you stay.
